

MAJUSCULE

2019 | GARÇON CABERNET SAUVIGNON

A true Monopole wine made from a single grape clone, from a single lot of vines, from a single vineyard on Napa's Mount Veeder. Dark and pronounced. Black fruit, toasty oak and baking spices abound. The fruit comes at you early followed by moderate tannins that provide weight and structure behind the deep flavors. The finish is long and smooth, offering a unique masculine elegance to the wine. The moderately higher acid level will provide endurance for long aging.

We craft elegant, single-vineyard wines from the Napa Valley.
