FOR THE NICE LIST

We've only made the 2019 Garçon Cabernet Sauvignon once because he's a special boy. Curated from a single lot of terraced vines near the lower portion of the Wildcat Vineyard on Mount Veeder, he's full-bodied and structured with the right balance of acidity, grip and tannins fronted by black fruit, toasty oak and baking spices with a long, smooth finish. 94 points from Wine Enthusiast!

MOUNT VEEDER CABERNET VERTICAL

For those who love elegant and balanced Cabs, this vertical of the first three vintages of our flagship Mount Veeder Cabernet Sauvignon is highly recommended. Includes the 2018, 2019 and 2021 vintages from the Wildcat Vineyard. This award-winning Cab is known for its concentrated flavors, well-integrated tannins and balanced acidity.
