

MAJUSCULE

2024 | NAPA VALLEY SAUVIGNON BLANC

Sourced from a lovely vineyard rising above the Silverado Trail on Rutherford's East Bench, this wine reveals beautiful balance and pure fruit. Aromas of ripe pear and fresh melon layer over an underlying citrus brightness. A short time spent in neutral oak gives it roundness but not at the expense of the balanced acidity that carries the flavors to a decidedly decadent, lingering finish that showcases the rich fruit.

We craft elegant, single-vineyard wines
