# 2022 | PERSISTENCE CABERNET SAUVIGNON

Persistence offers an inviting introduction to Mount Veeder Cabernet without sacrificing the mountain's depth and structure. The inaugural 2022 vintage layers dark fruit, roasted cranberry, and currant with focused herbal notes, mint, and violet. Powerful yet lifted, vibrant acidity balances firm tannins and carries the fruit through a long, grippy finish. Enjoy now with a generous decant or cellar for added polish.

We craft elegant, small-lot wines from Napa Valley's Mount Veeder.
